

Attendance Policy

Student employees are expected to attend their shifts on time and when scheduled. Regular attendance and punctuality are important to keep recordings and operations running smoothly. Arriving late, excessive absences and tardiness can cause disruptions for everyone. Below is the new attendance policy for student employees at ELO.

Definitions:

Scheduled Absence: Managers are notified by student producer at least three days in advance that employee will be absent from shift.

Unscheduled absence: Managers are notified by student producer at least two hours in advance that they will be absent due to emergency or other unexpected cause.

No-show: student producer fails to show up for shift without notifying management or less than an hour notice.

Sick days: student producer will be absent due to illness or accident.

Excessive tardy: Managers have been notified that the course has consistently been starting late due to lateness.

Procedure:

Scheduled Absence: Student producers will request the shift off on the Absence Request Off Form prior to the scheduled time off. **You are still responsible for your shift** until Misty or Matt notifies you that it's covered. Matt and Misty will work with the student producer to find coverage for the shift. Please use this form if you know you will need to drop a shift in advance.

Unscheduled absence: Student producers will call the front desk (515-294-7470 hours 8am-5pm) at least two hours in advance to the start of shift if they won't be able to attend their shift, due to emergency or other unexpected cause. If you need to call out sick during non-office hours email: eloabsence@iastate.edu. **You must get verbal or email confirmation that you will be absent or your absence will be considered a no-show.**

No- Show: Student producer fails to show for shift for any reason without notifying a manager or student notifies a manager less than an hour before their scheduled shift that they will be absent.

Sick days: Student producer will call the front desk (515-294-7470 hours 8am-5pm) at least an hour before their shift if scheduled for the AM and at least two hours before their shift if scheduled in the PM. Each student producer will be allowed two absences for sick days per semester. If you need more than this, please contact Matt and Misty to further discuss. If you need to call out sick during non-office hours email: eloabsence@iastate.edu. **You must get verbal confirmation that you will be out sick or your absence will be considered a no-show.**

Tardy/Leave Early: Student producer will call the control room number or Misty/Matt's line directly and let them know they are running late. If you need to leave your shift early, you need to email Matt or Misty and arrange for someone to finish your shift.
